

HATCHET Bush Pilot News

SPRING 2018

A Message from Harvey...

As I sit here figuring out how many pounds of flour we need for the summer, I realize in a little more than three months we will be back up at the lodge. Time just flies by. This will be my 28th season and I must I say I never dreamt I would spend that many years in the north. Hatchet Lake is like a magnet, it just keeps drawing you back.

We have a great staff in place, with a good mix of some familiar faces and some new ones eager for their first experience at Hatchet. We look forward to some tasty creations with our new chef Dustin joining Ray in the kitchen. New motors on the main lake and replacing the decks on the main lodge are a few of the improvements you will notice.

As always, we look forward to welcoming you to Hatchet this coming season. Thank you for your business – it truly is appreciated, and it will keep me coming back for a 29th season!

Regards,

Harvey Kröll

Harvey Kröll
General Manager
Hatchet Lake Lodge

What's new at the lodge?

■ *“A road is plowed through the forest and onto the ice covered Hatchet Lake before fuel, materials, and supplies are hauled on trucks to the lodge”*

■ *“The boats on Hatchet Lake will be equipped with new 25 horse power, four-stroke Yamaha outboard boat motors for the 2018 season.”*

■ *“Lumber and other building supplies were hauled into camp for the replacement of both decks on the main lodge. Construction of the new decks will begin after the ice melts and the crew heads north for the season.”*

3 Easy Steps to Plan Your Trip:
