## Hatchet Lake Lodge – Simms Fishing Products Catalog

We have teamed up for the second year in a row with Simms Fishing Products! This year we have expanded on the custom HLL branded Simms products available to our guests – now offering the **Fall Run Insulated Hoody** (available in men's and women's), the **Intruder BiComp Fishing Shirt** (available in men's only), the **BiComp Fishing Hoody** (available in women's only) and the **Challenger Fishing Hoody** (available in men's only) in addition to the **Challenger Fishing Jacket and Bibs** (available in men's and women's) we sold last season.

We are hopeful that we can put together an order as there are minimums that need to be met. All products would be embroidered/printed with the HLL logo (as seen above). There are color options available but for ease of order and hitting the minimum order requirement, I have selected a color for each item, which will be specified below. If we are able to go ahead with this, any items you purchase would be at the lodge awaiting your arrival this summer!

To ensure this order is ready in time for the 2024 season start, I will need to know which items you would like and in which sizes by **March 8, 2024**. Costs for these items will be added to your reservation invoice to be paid at checkout on your last evening at the lodge. All prices are in USD and do not include taxes.

Please feel free to email, text or call me to discuss this catalog and to place your order!

## Men's Fall Run Insulated Hoody

Color – Black  
Sizes available – S-XXXL  
Price - \$203.95

## Women's Fall Run Insulated Hoody

Color – Black  
Sizes available – XS-XXL  
Price - \$203.95

The perfect 3-season jacket, both on and off the water, the lightweight Fall Run Hoody packs a heavyweight warmth-to-mass ratio for less bulk under bibs and waders. Worn alone or paired with a waterproof, breathable shell, the Primaloft insulation is treated for water repellency to keep you warm even when damp from rain or heavy activity. Extremely compressible, it's the ideal layer for stowing in your daypack or sling pack.

- Primaloft Black Eco insulation 60g (body) uses 60% recycled materials, treated for water repellency
- 100% recycled shell with DWR finish for water resistance
- Internal quilting on upper front and back body provides a smooth exterior for abrasion resistance when worn with waders or bibs
- Zippered handwarmer pockets and internal chest zippered pocket on wearer's left
